

2017 – 2018 Membership Renewal

We have simplified the process of renewal. For Full or Associate member of AABCAP You have the option of providing a Current Level of Membership Certificate from PACFA or your other organisation that meets the AABCAP/PACFA minimum requirement of Professional Development and Supervision.

Alternatively, we will require a summary and evidence of Your Continuous Professional Development (CPD) hours and Supervision. Please refer to the current renewal form and AABCAP website for more information www.aabcap.org/membership.

Reminder: As we are a Buddhist Psychotherapy organisation, AABCAP encourages all Members to attain at least 10 Personal Development points in Buddhist Psychotherapy Professional Development.
